ECONOMIC GEOGRAPHY

INDEX TO VOLUME XIII

PAGE

Abandoned Apple Orchard in Owens Valley, California ... 27
A Commercial Geography, L. Dudley Stamp (review) ... 211
Advantages of Newcastle in the Tyneside Glass Industry ... 304
Agricultural Development in Owens Valley, California ... 33
Agricultural Land of Upper Tennessee Basin (chart) ... 94
Agriculture and Animal Husbandry in Greenland ... 90
Agriculture in the Llano Estacado, W. A. Browne (graphs and illustrations) ... 155–174
  Cotton and the Cotton Section ... 161
  Cotton Field ... 162
  Dry Farming ... 168
  Grain Sorghums ... 164
  Irrigation ... 169
  Land of the Llano Estacado (maps) ... 155, 156
  Livestock Industry ... 170
  Other Crops of the Region ... 166
  Rainfall (graph) ... 157
  Soils (graph) ... 158
  Summary ... 172
  Wheat and the Wheat Section ... 157
  Wheat Elevators ... 160
  Wheat Field ... 159
Agriculture of Palestine ... 237
Alaska, Regions and Resources of, Albert L. Seeman (tables, map, and illustrations) ... 334–346
Altered Function of Towns of Owens Valley, California ... 30
Aleutian-Pribilof Islands Region of Alaska ... 340
American and Australian Deserts, Comparison of, Griffith Taylor (maps) ... 260–268
Amerikanische Landschaft, Erich Drygalski (review) ... 214
Andrews, James M., Siam, Second Rural Economic Survey (review) ... 213
An Historical Geography of Europe, W. Gordon East (review) ... 102
Animal Population in North Park, Colorado (chart) ... 384
Antecedent Developments in the Glass Industry at Toledo, Ohio ... 404
Arctic Watershed Region of Alaska ... 343
Artificial Teeth Industry in Palestine ... 256
Asheville Basin in Upper Tennessee Basin ... 98
Asia, An Economic and Regional Geography, L. Dudley Stamp (review) ... 105
Atlas of China, Albert Hermann (review) ... 213
Attacks on Motive and Method of Promoting Foreign Trade ... 10
Atwood, Celia K., and Wallace W., Jr., Land Utilization in a Glaciated Mountain Range (maps and illustrations) ... 365–378
  Wallace W., Jr., Our Natural Resources and Their Conservation (review) ... 209
Australia Superimposed Upon Northern North America and Upon North Africa (map) ... 261
Automatic Fixation of Cultivation ... 139
Aviation in Baltimore, Maryland ... 207

Bad Lands Between Cameron and Tuba in Navajo Land ... 291
Baltimore Avenue, Philadelphia ... 427
Baltimore, Maryland, Factors in the Economic Development of, Pearle Blood (graphs and illustrations) ... 187–208
  As an Industrial City ... 204
  Baltimore Today ... 208
  Baltimore Town (graph) ... 188
  Its Bid for Western Trade ... 191
  Its Early Latin American Trade ... 190
  Its Harbor and Industrial Districts, 1918 ... 199
Banana Plantation in St. Vincent ... 232
Barley and Minor Crops of Palestine ... 241
Barton, Thomas F., The Western Range (review) ... 107
Basin or Inner Harbor of Baltimore Maryland, The ... 199
Basket Hive, in Shifting Cultivation ... 47
Baugh, Ruth E., Land Use Changes in the Bishop Area of Owens Valley, California (graphs and illustrations) ... 17–34

PAGE

Bay in the Ketchikan-Sitka Region of Alaska ... 336
Bed of the Brugent River, La Riba, Spain ... 423
Beginnings of Agriculture in Owens Valley, California ... 22
Beginnings of Hosiery Manufacturing at Laconia, The ... 175
Berlin Pond, Vermont ... 357
Bird's-eye View of the Desert Region Between Tucson and Phoenix (map) ... 267
Bishop Area of Owens Valley, California (map) ... 18
Bishop, Largest Town of Owens Valley, California ... 31
Bituminous Coal Industry of the World (graph) ... 68
Block Diagram of a Portion of the West Australian Desert Margin (map) ... 263
Blood, Pearle, Factors in the Economic Development of Baltimore, Maryland (graphs, and illustrations) ... 187–208
Boat Races in Cuba ... 111
Boyd, Louise A., Polish Countrysides (review) ... 431
Brady Glacier, Alaska ... 338
Browne, W. A., Agriculture in the Llano Estacado (graphs and illustrations) ... 155–174
Building Industry in Palestine ... 257
Burning Brush in Rain Forest, in Shifting Cultivation ... 38

Cacao Beans of Southern Nigeria ... 153
Cade's Cove in Upper Tennessee Basin ... 99
California, Editorial ... opp. p. 1
Camping Site on Bishop Creek in Owens Valley, California ... 29
Canal and River Connections Between Silesia and Elbe River ... 65
Cane Harvester in Cuba ... 127
Canning in Baltimore, Maryland ... 207
Care of Soils in the Tennessee Valley ... 386
Carls, J. Norman, Seamless Hosiery Industry of Laconia, New Hampshire (charts and illustrations) ... 175–180
Casto, E. Ray, Economic Geography of Palestine (graphs and illustrations) ... 235–268
Catalan Industry, Water Power and Economy of La Riba, Spain; An Outlier of, E. H. G. Dobby (charts and illustrations) ... 413–424
Cattle Grazing in North Park, Colorado ... 374
Cattle, in Shifting Cultivation ... 47
Causal Factors of the Accelerated Erosion in Navajo Land ... 228
Changes in Distribution of Potato Production in Minnesota, 1860–1890 (map) ... 394
  1900–1930 (map) ... 395
Changes in Location of British Manufacturing Industries Since the War, Hans Joachim von Schumann (review) ... 214
Change to Coal in the Tyneside Glass Industry ... 301
Character and Distribution of Population of Greenland ... 84
Charge of "Star Chamber" Methods in International Trade ... 14
Chemical Industries of Baltimore, Maryland ... 206
Chicago, Milwaukee, St. Paul, and Pacific Railways at the Head of Lake Superior ... 278
Chicago, St. Paul, Minneapolis, and Omaha Railways at the Head of Lake Superior ... 277
Chile: Land and Society, McBride, George McCutchen (review) ... 103
Chlorination Plant at Berlin Pond, Vermont ... 361
Church in Boylston ... 185
City of Bishop, Owens Valley, California (map) ... 32
City of Philadelphia, Showing Retail Structure (map) ... 426
City Retail Structure, Malcolm J. Proudfoot (map and illustrations) ... 425–428
  Baltimore Avenue, Philadelphia ... 427
  City of Philadelphia, Showing Retail Structure (map) ... 426
  North Broad Street, Philadelphia ... 427
Civil War and After, The ... 193
Cleared Patches on Slope of Northern Andes ... 38
Clearing and Forest ... 42
Climate of Owens Valley, California ... 19

PAGE

Of Palestine ... 236
Of Pootu ... 136
Of St. Vincent ... 220
Climate, Vegetation, and Soils of Greenland ... 77
Clothing Manufactures in Baltimore, Maryland ... 206
Coal Production and Reserves (table) ... 70
Coast Guard Ship in Alaska ... 342
Coast of Pootu ... 136
Coconut and Copra Exports in St. Vincent (graph) ... 231
Coffee Production in Cuba ... 114, 123, 125
Collecting from Forest, in Shifting Cultivation ... 48
Commerce of Elbe River (graph) ... 57
Of the Port of Baltimore, Maryland ... 203
Commodity Movement on Elbe River (graph) ... 61
Comparative Value of Foreign Trade to Americans ... 10
Comparison of American and Australian Deserts, Griffith Taylor (maps) ... 260–268
Australia Superimposed Upon Northern North America and Upon North Africa (map) ... 261
Bird's-eye View of the Desert Region Between Tucson and Phoenix (map) ... 267
Block Diagram of a Portion of the West Australian Desert Margin (map) ... 263
Limits of Desert Vegetation in Western U. S. A. (map) ... 265
Pastoral Possibilities of Australia (map) ... 264
Western Desert Area in Australia (map) ... 262
Western Desert Area in the United States (map) ... 262
Comparison of Major Physical Divisions of Upper Tennessee Basin ... 96
Comparison of the Bases of Production in the Hosiery Industry of Laconia, New Hampshire ... 178
Competition Between Cities and States in the Water Supply of New England ... 362
Competition for the Ocean Trade of Los Angeles, Willis H. Miller (maps and illustrations) ... 325–333
Conclusion ... 333
Downtown Los Angeles ... 331
Early Shipping at San Pedro ... 326
Free Harbor Fight in Los Angeles ... 330
Looking East From San Pedro About 1895 ... 330
Los Angeles and Vicinity (map) ... 326
Los Angeles Builds a Port ... 331
Los Angeles' Inland Location ... 325
Port Los Angeles ... 330
Port Los Angeles About 1895 ... 329
Port Los Angeles, A Recent View ... 332
Redondo Port Venture ... 329
Rise and Fall of Santa Monica, California ... 328
Shipping at Redondo, California, About 1892 ... 327
Wilmington Is Founded ... 327
Competitors of the Hosiery Industry at Laconia, New Hampshire ... 177
Conditions Favoring Potato Culture ... 393
Consumption of Electricity in Palestine (graph) ... 255
Contemporary Landscape of Greenland ... 84
Coöperative, Protective, and Highway Projects in Navajo Land ... 297
Copper, Lead, and Zinc Production in United States (graph) ... 71
Copper Rolling and Refining in Baltimore, Maryland ... 208
Corfield, George S., and Fause, Asbjorn, The Potato Industry in Minnesota (maps, graphs, and tables) ... 393–401
Criticism of the Area. Statistics in Cultivation and Export of Netherlands Fruit ... 321
Crop Year, in Shifting Cultivation ... 44
Cuba, Editorial ... opp. p. 109
Famous for Quality of Tobacco ... 112
Cuban Economic Policy ... 117
Import Necessities ... 118
Imports of Staple Foods (table) ... 119
Sugar Statistics (table) ... 128
Tariff Reciprocity With the United States ... 126
Cuba's Balance of Trade (table) ... 117
Foreign Trade, Some Factors in, Roberta P. Wakefield (illustrations and tables) ... 109–131
Cultivable Land of Upper Tennessee Basin ... 98
Cultivated Lands in West Bishop Area of Owens Valley, California (map) ... 24
Cultivated Lands of the Park Range, North Park, Colorado ... 367
Areas Under Irrigation ... 367
Irrigated Crops ... 370
Dry Farming ... 370
Cultivation and Export of Netherlands Fruit, Aage H. Kampp (graphs and illustrations) ... 315–324
Criticism of the Area Statistics ... 321
Export and Import of Netherlands ... 324
Fruit Districts of the Netherlands (graph) ... 317
Location: Determining Factors ... 316
Orcharding Sections ... 317
Organization ... 324
Various Fruits, The ... 321
Cultivation, Fixation of Shifting, Derwent Whittlesey (graphs and illustrations) ... 139–154
Cultivation, Shifting, Derwent Whittlesey (graphs and illustrations) ... 35–52
Cultural Landscape of La Riba, Spain ... 417
Currency Stabilization ... 2
Curtis Bay and Fairfield in Baltimore, Maryland ... 202

Dairy Farm in Owens Valley, California ... 27
Danger of a World Trade Collapse ... 3
Das Monadentum in Nordwestlichen Afrika. Paul-Gerhardt Merner (reveiw) ... 429
Davis, Charles M., Land Utilization in North Park, Colorado (maps, charts, and illustrations) ... 379–384
Decline of Tyneside Glass Industry ... 314
Demand for a Town and the Selection of a Site, The 187
Description of Regions of Minnesota ... 395
Hollandale District ... 396
River Valley Region ... 397
Sandland Area ... 395
Deserted Farm in Owens Valley, California ... 25
Destination of Minnesota Potatoes in 1929 (map) ... 400
Destinations of Glass in the Tyneside Glass Industry. 310
Development of Commerce and the Baltimore Clipper, The ... 189
Distribution of Types of Water Supplies in New England ... 364
Divisions of the Upper Tennessee Basin ... 94
Dobby, E. H. G., Water Power and Economy of La Riba, Spain; An Outlier of Catalan Industry (charts and illustrations) ... 413–424
Domestic Animals of the Migratory Farmer ... 46
Domestic Character of the Village of La Riba, Spain ... 420
Dominant Economy of Greenland ... 87
Downtown Los Angeles ... 331
Driven Wells, Hyannis, Massachusetts ... 354
Dry Farming in the Llano Estacado ... 168
Drygalski, Erich, Amerikanische Landschaft (review) ... 214
Drying of Copra in St. Vincent ... 230
Duluth and Iron Range Railways at the Head of Lake Superior ... 278
And Northeastern Railways at the Head of Lake Superior ... 279
Missabe, and Northern Railways at the Head of Lake Superior ... 279
Winnipeg, and Pacific Railways at the Head of Lake Superior ... 279
Dundalk and Sparrows Point in Baltimore, Maryland ... 202

Early Glass Making in England ... 301
Shipping at San Pedro ... 326
Utilization of Owens Valley, California ... 21
East Broadway Glass Plant in Ohio ... 410
East Slope of Sierra Nevada, Owens Valley, California ... 20
East, W. Gordon, An Historical Geography of Europe (review) ... 102
Economic Adjustments of the Navajo to Their Land ... 285
Economic Geography of Palestine, E. Ray Casto (graphs and illustrations) ... 235–268
Agriculture ... 237
Artificial Teeth Industry ... 256
Barley and Minor Crops ... 241
Building Industry ... 257
